10.30AM - 1.00PM

Lewis & Harris

# Breast Cancer Awareness Event

Thursday 4th October  
Caladh Inn, Stornoway  
10.30am-1.00pm

As part of national Breast Cancer Awareness Month, Scottish singer and presenter Michelle McManus has teamed up with NHS Western Isles and the Lewis & Harris Breast Cancer Support Group, and invites you to your local Breast Cancer Awareness Event.

The event will feature women sharing their personal experiences of breast cancer, followed by an information session led by a health professional on how to be better breast aware.

Hand and nail treatments will also be available for those who attend, as well as pink cupcakes and refreshments. Entry will be by donation, with all proceeds being donated to your local breast cancer support group.

*All are welcome, and we look forward to seeing you there!*

CHANGES IN YOUR BREASTS?  
GET CHECKED EARLY.
